Standard Mobile Home

The Bremen mobile home is the epitome of modern design and comfort. A spacious living room integrated with a kitchenette becomes the heart of the home, perfect for spending quality time together. It offers not only elegant finishes but also practical solutions, with sleeping space for the whole family. The two-dimensional layout providing privacy in three bedrooms creates optimal conditions for rest and relaxation.

You can choose a standard model without fittings in the BASIC version or with fittings - the COMFORT option. Additionally, you can adjust the type of elevation and variants: windows, heating, lighting and other accessories.

The photos are for illustrative purposes only and do not constitute the subject of the offer. Other options can be selected at an additional cost. Dimensions may differ from actual dimensions by ± 3 cm.
